1. The present Pasundan cabinet is stronger than it was two weeks ago. The only opposition is from the Partai Kebangsaan Indonesia (PARKI, Indonesian Nationalist Party) faction.
2. It is expected that the parliament working committee proposal that the Pasundan national flag be Republican red and white with a green pennant at the top will be approved next week.
3. There are rumors that the Dutch General Engles will break off negotiations with Achmad Wiranata Kusuma of the Siliwangi Division.
4. The Pasundan officials and Siliwangi officers are cooperating closely in the areas outside of the cities. The Pasundan officials find it difficult to preserve order in the areas which are occupied by a large number of Dutch and Indonesian troops.
5. The Communists in Pasundan are attempting to cooperate with the Indonesian armed forces in order to form a "national front" against the Dutch.
